

The ultimate balance of innovation and inspiration. A breakthrough in aeronautics, the Over-The-Wing Engine Mount was engineered and proven by Honda after more than 20 years of extensive research and development. Certified for the single pilot operation.

## AIRFRAME

---

Total hours	1400
Total landings	1033
Serial number	SN-90

---

## PROGRAMS

---

Engines	EMC2
Airframe	Performance - P2

---

## ENGINES

---

Engine 1 / Serial Number	GE Honda HF 120 / 883293
Engine 2 / Serial Number	GE Honda HF 120 / 883294

---

## ADDITIONAL FEATURES

---

EASA Compliant Aircraft

---

## INTERIOR

---

Number of Passengers: 5

---

Cabin Configuration: 2+ 5 (included 1 Side Seat)

---

LH/RH Stowable Executive Table

---

Executive Seat Upgrade, Cabinet Face Upgrade

---

Electric Pleated Shades, Lighted Logo Trim, Cabin Power 1 & 2

---

Life Vests and Additional Cabin Oxygen Mask

---

Externally Serviceable Toilet

---

Sink with Running Water

---

## AVIONICS

---

GARMIN G3000 All-Glass Avionics Suite

---

DME Receiver

---

Controller Pilot Data Link

---

ADF Receiver

---

Radar Altimeter

---

Jeppesen Chartview

---

Synthetic Vision

---

TCAS I and TAWS Class B

---

Weather Radar System
